

SOAM PHASE II - PART 1

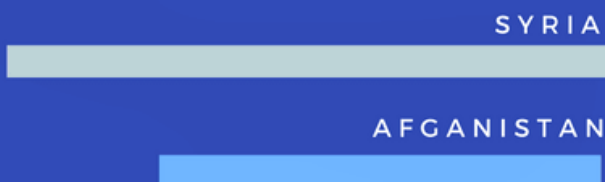

MAY - OCTOBER 2016

511 asylum seekers benefited through the Programme's activities

258 unaccompanied children

253 other vulnerable asylum seekers

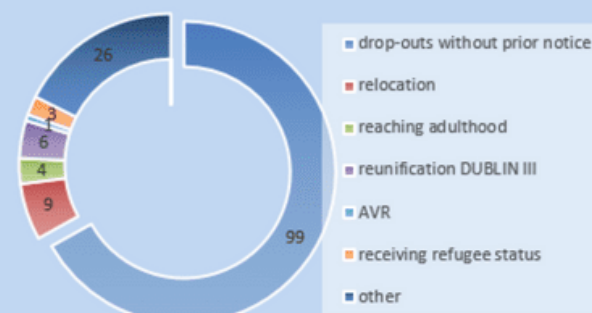

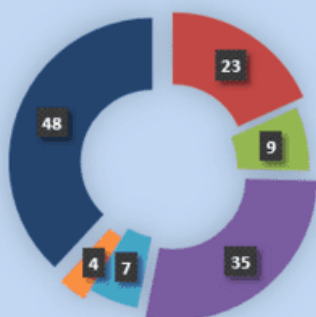

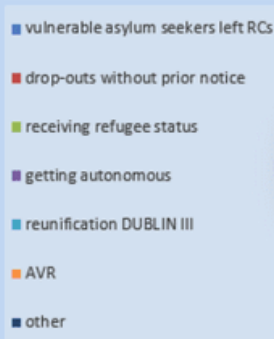

Beneficiaries came from more than 20 different countries, with Syria and Afghanistan being the dominant countries of origin.

During the Phase II - part 1 a high mobility of the target population is noticed; More than 120 vulnerable asylum seekers and more than 140 unaccompanied children left SOAM Reception Centres for various reasons

vulnerable asylum seekers left RCs

unaccompanied children left RCs

13 family reunifications were completed during these 6 months of operation either through DUBLIN III or through other migration procedures.

VULNERABLE ASYLUM SEEKERS

UNACCOMPANIED CHILDREN
